

# Open Space Framework: Large Areas & Major Corridors

Based on visual analysis of aerial photos. Boundaries approximate, and rounded to indicate large areas of a more-or-less continuous land use. Small and narrow areas excluded, except for major corridors. Built areas with approximately 2-acre lots or smaller.

- Key to Mapped Features**
-  Large Natural Area
  -  Large Agricultural Area
  -  Large Built Area
  -  Major Wildlife & Water-Protection Corridor
